community playbook.***

ABOUT US

Pathways in Motion is a non profit organization focused on workforce development and working hard to keep America's workforce educated and engaged.

Through a strong network of community services, eligible participants are provided key opportunities needed to further their education or obtain jobs in today's competitive labor market.

Our emphasis is to connect and partner with communities and their opportunities by fostering new workforce growth through video.

LAUNCHING BY COMMUNITIES

**Our community
playbook for
workforce
development.**

Pathways in Motion is launching one community at a time.

We have a partnership with “RecruitMe” to connect local school districts, career center, veteran organizations, community colleges, and employers to provide candidates with access our “one-click” apply platform to these career videos and work-based learning experiences. Here is how it works!

We are partnering with non-profits and associations to promote their services and programs.
